KASHRUS ALERT

- There are a few supermarkets at the moment that are importing potatoes from Israel.

Always check the country of origin.

If purchased, Terumoh and Maaser must be taken.

Visit our website for our free Terumoh and Maaser service.

(found in the 'our services' box)

- There is a lot of infestation in many fruits and vegetables at the moment such as in cabbages, strawberries and blueberries, extra care must be taken before eating. For the MBD fruit and Veg guide visit our website.
